

## [ CORTONA ]

Rivestimento rustico per caminetto angolare, realizzato in travertino Scabas a spacco bugnato a listello piccolo e

fugato con sabbia colore grigio. Il piano, l'architrave e il battiscopa sono in travertino Scabas lucido.

Il legno è un Esotico massiccio tinto noce. Estetica semplice, si inserisce bene in qualsiasi ambiente.

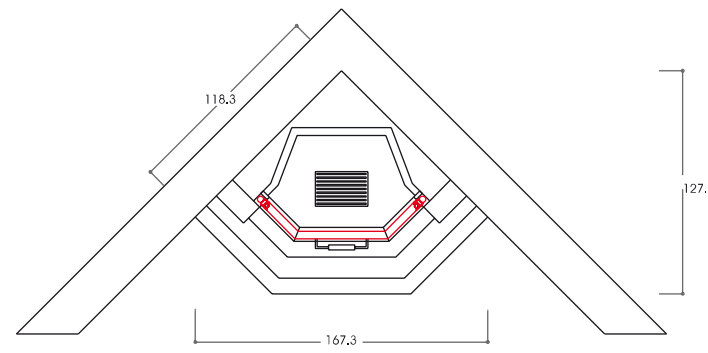

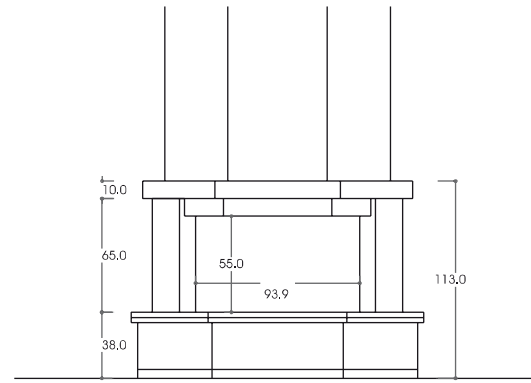

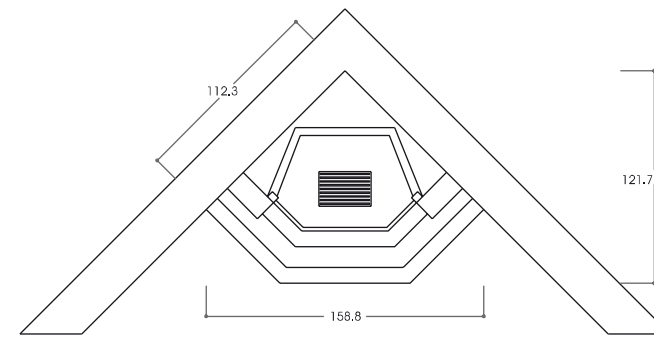

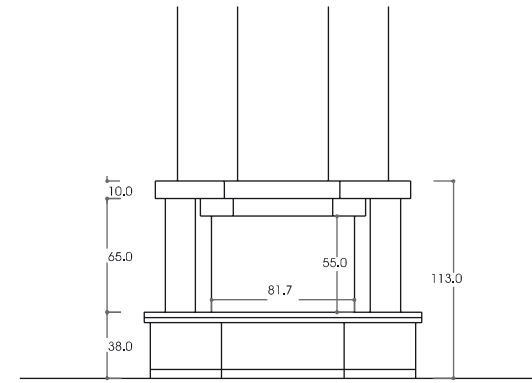

F.lli Grilli
